Dear Bill:

The U.S. Postal Service (USPS) proposes to add Time and Attendance Collection System (TACS) to the Administrative Dispute Resolution Procedures (ADRP) as a way for resolving disputes concerning TACS.

As outlined by the Memorandum of Understanding (MOU), Administrative Dispute Resolution Procedures at page 329 of the 2006 Collective Bargaining Agreement.

*For each subject(s), the Employer and the Union will designate individuals at the national level who will be responsible for discussing and, where possible, for resolving any disputes concerning the referenced subject(s). When a specific subject is under consideration in the ADRP, any grievance(s) concerning that identified subject will be removed from the Grievance/Arbitration Procedure and forwarded to the ADRP.*

Please sign and return this form as an indication that you agree to this proposal.

Sincerely,

John W. Dockins  
Manager  
Contract Administration (APWU)
