

This Thursday is 'Gear Day'!

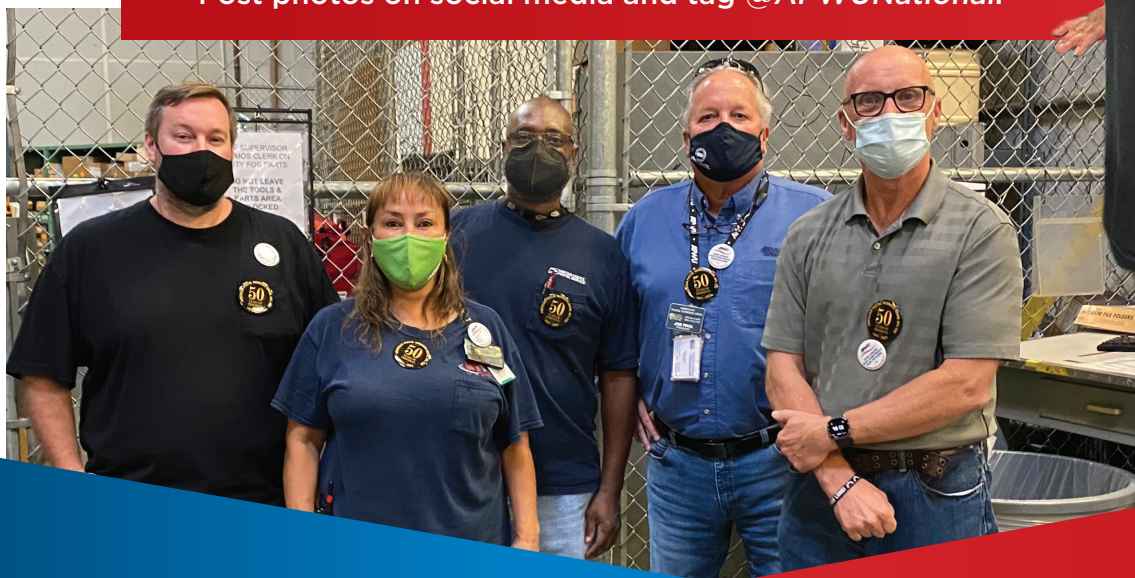

Send a strong message to management! Show your support for **APWU – Our Union, Our Contract, Our Future** by wearing union gear on the work room floor on Thursday.

Your support on the work room floor is crucial during negotiations. That's why on **every Thursday during negotiations**, APWU members are 'Gearing Up' by wearing union t-shirts, stickers, wristbands, and other apparel!

Contact your local union office if you need wristbands.

Make sure to take photos! Take a selfie or group picture with your coworkers while wearing the sticker or other union gear and email it to ncc@apwu.org. Remember to send high-resolution photos at their "original" file size. Post photos on social media and tag [@APWUNational!](https://www.instagram.com/APWUNational/)

Send in pictures to be put into a weekly drawing!
