CALL Your U.S. Senators **about cosponsoring the** **USPS FAIRNESS ACT (S. 2965)**

The House of Representatives passed the USPS Fairness Act (H.R. 2382) on February 5th. This was made possible thanks to your calls to your Representative. Now it is time to take our fight to the Senate, to obtain co-sponsors on the identical language bill S. 2965 that will repeal in total the Postal Accountability and Enhancement Act's (PAEA) mandate to prefund retiree health benefits. *The prefunding mandate is responsible for 92% of the postal service's net losses since 2007 and is a threat to financial stability.*

On Tuesday, February 25th, join thousands of APWU members and our allies by dialing **844-402-1001** to connect with your Senators. You will be given the choice to speak to one of your two Senators. You must redial the hotline and follow the prompt to connect to your other Senator.

Urge them both to cosponsor the USPS Fairness Act, S. 2965.
