Pass Voting Rights Legislation Now!

Federal legislation to protect voting rights is urgently needed. The **Freedom to Vote Act** and the **John R. Lewis Voting Rights Advancement Act** would **strengthen voter rights and voter protections for all Americans.**

To get these bills passed, the Senate will have to ditch the undemocratic filibuster rules that prevent legislation from passing even if a majority of Senators support the bill.

Call your Senators today by dialing 844-402-1001 and demand they vote for the changes needed to pass voting rights legislation and protect our democracy.

*****POST AND DISTRIBUTE. CALLS CAN BE MADE DURING NON-WORKING HOURS*****

to Pass Voting Rights Legislation!**
