**CALL 844-402-1001 AND
TELL YOUR SENATORS TO
PROTECT THE FERS
ANNUITY SUPPLEMENT**

On May 22 Republicans in the House of Representatives passed H.R. 1, the One Big Beautiful Bill Act. This not-so-beautiful bill would give \$4.5 trillion in tax cuts to the ultra-wealthy on the backs of the working class.

H.R. 1 pays for these massive tax breaks through cuts to vital government programs, including the elimination of the FERS annuity supplement for many postal and federal employees which “...shall begin to apply on January 1, 2028...” This supplement is a monthly payment that helps bridge the gap between an employee’s retirement and Social Security eligibility.

Now that the One Big Beautiful Bill Act (H.R. 1) has passed the House, our fight to protect our retirement moves to the Senate.
