

## Support APWU Members Serving in the Military

*The APWU is coordinating an effort to show support for union members and their loved ones who are serving in the military. We plan to send them care packages and acknowledge their sacrifice by posting their name, address, and photo on our Web site, [www.apwu.org](http://www.apwu.org).*

*To do so, we need their military mailing address. Please provide the requested information on the form below, and send a photo (if available) to post as well. Please print neatly, and keep us advised of any changes in address or status.*
