RE: Temporary Extension on Step 3 and Arbitration Appeals - REVISED

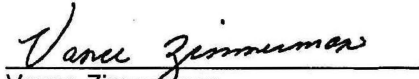

Due to the impact of the Coronavirus Pandemic, the parties agree that time limits for appealing grievances to Step 3 of the grievance-arbitration procedures, and appeals to arbitration, will be extended for a period of 30 days beyond those specified in the National Agreement. The 30-day period is effective with the signing of this agreement.

The parties at the local level are encouraged to discuss the potential need for time limit extensions for appeals to Step 1 and Step 2, based on local business conditions and either party's ability to timely process grievances.

The parties will revisit immediately prior to the expiration of the 30-day period to determine if extension is appropriate.
