This is to advise you of the intent of the San Francisco District to the transfer of the station currently attached to the North Bay Plant to the Petaluma Post Office. In accordance with the provisions of Article 12.5.C.3, all full-time employees at that station will be given the option of remaining with the station without loss of seniority or staying at their current bid installation.

Employees at the station who elect to remain at the North Bay bid installation, will be reassigned to the plant since there will no longer be a finance operation attached to the North Bay bid installation.

Attached is a list of the employees we have identified as being in this station. Upon issuance and discussion of this event with you, we would like to set a timeline for providing the impacted employees with their opportunity to remain with the station.

Please include this impact on the agenda for our next meeting. If you have any questions you may contact me at (858) 674-3193 or Linda Shumate, Area Complement Coordinator at (858) 674-3183.
