This is to advise you of the intent of the San Francisco District to utilize the provisions of Article 12.5.C.5 of the National Agreement to involuntarily reassign one hundred two (102) full-time clerks from the craft and/or installation at the San Francisco bid installation (Event 46542). This impact is based on a Function 1 baseline staffing model which incorporates the impact of load leveling on operations.

The impacted employees will be notified of their involuntary reassignment by separate letter.

By copy of this notice, we will withhold one hundred two (102) full-time residual assignments in the clerk, carrier, mail handler and/or custodial crafts in sites within a 50 mile radius of the impacted bid cluster for placement of the impacted employees.

Attached you will find copies of the automated impact statement, the operational data that supports the excessing, the list of sites at which withholding has been authorized and the names of the impacted employees.

Please include this impact on the agenda for our next meeting. If you have any questions you may contact me at (858) 674-3193 or Linda Shumate, Area Complement Coordinator at (858) 674-3183.
