This corrects the letter dated May 6, 2014 advising you of the intent of the Sierra Coastal District to utilize the provisions of Article 12.5.C.5 of the National Agreement to involuntarily reassign one (1) full-time laborer custodial employee from the craft and/or installation at the Thousand Oaks bid installation (Event 46203). The employee being excessed is a maintenance mechanic and not a laborer custodial. The basis for this action is a workload study which reveals that Thousand Oaks is no longer a maintenance capable site. The event number is correct.

The impacted employee will be notified of his/her involuntary reassignment by separate letter.

By copy of this notice, the Postal Service will withhold one (1) full-time residual assignment in the clerk, carrier, mail handler or maintenance craft in post offices and plants within a 50 mile radius of the impacted site.

Copies of the automated impact statements, the operational data supporting the need to excess, the list of sites where withholding is authorized and the name of the mechanic to be excessed are attached.

We would like to schedule this impact package for discussion at our next meeting. In the interim, if you have any questions, please feel free to contact Linda Shumate at (858) 674-3183 or me at (858) 674-3193.
