RE: Article 12 LM Mgt Meeting Agenda Items Corte Madera

The following are the Union's concerns/issues related to the Corte Madera Impact:

1. Neither the Withholding Letter nor WHIR state under what provisions of the CBA is management taking this action? What specific provision(s) is/are related to this impact?

Management Response: *Reduction Other Than Attrition.*

2. If the lease is expiring and the impact identified in the WHIR is to two employee where will be the remaining employee's be assigned to?

Management Response: *Looking for a post office for window only. Feb or June will have an office in Corte Madera. Lease expires In April but will be looking at offices and will inform.*

3. Will the retail unit be relocated to another office? If so which one?

Management Response: *Facilities are looking at this. So this will issue have to be monitored.*

4. Have there been any Function 4 Reviews performed in the operation? If so when and what were the results? Mgt. Response: *A 1994 Level 3 desktop was done in August 8. No more distribution, there are 21 routes, 9 will be San Raphel others in Mill Valley. Because there is no more distribution the need is to reduce the clerk complement.*

5. The Employer asked for the relevancy of the RFI if there are PSE assignments within 50 mile radius. Article 12.5.B2 provides that management shall identify duty assignments held by PSEs within the radius for the reassignment of excess career clerks. Are there any PSE assignments within the radius? If so, which, where and held by whom?

Management Response: *Working on it. PSE assignments will be provided. Rizza will work with Personnel to get it to the Union.*

6. Have the senior clerks been solicited and provided the opportunity to volunteer to be reassigned in lieu of the junior impacted employees to APWU clerical bargaining unit residual vacancies and take their seniority? If so, when and by whom? If not when will they be solicited?

Management Response: *No not yet, but something local management will be doing soon.*

7. Do impacted employees have access to Priority eReassign?

Management Response: *Yes they do and they have already been so informed.*

7a. The current and planned OT rate remain the same. How is the reduction of the complement justified?

Management Response: *Scott Sutton will look into it as Rizza did not prepare the Work Hour Impact Report.*

8. There are several laborer custodial residual vacancies identified in the withheld assignments listing .

A. Are the impacted employees considered minimally qualified for these assignments?

Management Response: *If we get to that point they would have to be. But, we go clerk to clerk first.*

B. If so, will the impacted employees be advised of saved grade procedures before the preference selection process? Mgt. Response: *Clerk to Clerk first before maintenance is considered.*

9. When will the Preference Selection period be conducted and by whom?

Management Response: *By the local management about 45 days out.*

10. The WHIR states there are 4 FT regular clerks on the rolls. The seniority date reflects a 7 employee complement. Why the discrepancy?

Management Response: *One is Lev 7. The two most junior Level 6 clerks are impacted absent any transfers or seniors in lieu of.*

11. The JCIM is clear the Postal Service will not withhold more residual vacancies than are necessary to place all impacted employees [JCIM Art 12, page 5]. When were the residuals listed withheld?

Management Response: *The vacancies we sent are residuals and not all withheld. Union will be sent two withheld assignments that are as close to Madera as possible. Scott will work on that today.*

12. Who will meet with the Local and when to discuss the impact?

Management Response: *Rizza will reach to the Local President to meet.*

13. Will the Impacted employees have retreat rights to the relocated retail unit?

Management Response*: Yes, the letter will so state and the need to express a desire to retreat.*

There may be other issues that arise when the issues are further discussed. If you have any agenda items please forward them prior to the meeting.
