This is to advise you of the intent of the Los Angeles District to utilize the provisions of Article 12.5.C.5 of the National Agreement to involuntarily reassign **eight (8)** full-time Building Equipment Mechanics from the craft and/or installation at the Long Beach Bid Cluster (Event 62395). The basis for this action is there are no longer any postal employees at the Long Beach facility as it has been sold.

The impacted employees will be notified of their involuntary reassignments by separate letter. It may also be necessary to detail some or all of the impacted employees until the excessing can be completed.

By copy of this notice, we are authorizing the **withholding of eight (8) residual** assignments in the maintenance and/or clerk crafts for placements of the impacted employees.

Attached you will find copies of the impact statement, the operational data that supports the excessing event, a list of sites at where withholding has been authorized and the names of the junior impacted employees.

Please include this impact on the agenda for our next meeting. If you have any questions you may contact me at (858) 674-3193 or Carmen Rodriguez, Area Complement Coordinator at (858) 674-2604.
