SUBJECT: STATUS of F1 Event in the Bay Valley District

This is to inform you that based on an assessment of our current impacts and projected attrition, we are going to close as completed the event detailed below. This action does not preclude the need to issue new impacts should attrition not cover the need to excess or should additional loss of mail volume again place us in a situation where we have to adjust staffing to meet workload and operational needs. Additionally, it does not affect the need to internally reposition to meet changing operational windows.
