Gentlemen:

As confirmation of your concurrence that the following represents agreed upon positions on certain of the overtime issues the parties have discussed, please sign and return a copy of this letter.

- A. The 12 hours per day and 60 hours in a service week are to be considered upper limits beyond which full-time employees are not to be worked.
- B. The parties agree that local offices may discuss multiple overtime desired lists during the current local implementation process with a view toward local resolution of the issue.
- C. The parties agree that employees on "sectional" overtime desired lists as identified through Article 30 may not be used in other "sections" to avoid the payment of penalty pay.
- D. For the purpose of the application of the overtime provisions, scheme study hours used by an employee pursuant to a voluntary bid are to be counted towards the daily and weekly work hour limitations. For example,

if an overtime desired list employee who would otherwise be available for 12 hours work on a particular day is brought in for 1 hour scheme study before tour, that employee would be considered to be available for 11 additional work hours that particular day. If the employee ultimately qualifies and is placed in the assignment, compensation for that hour would be as if the employee had worked that hour. If this "work hour" is in excess of the restrictions in Article 8, Section 5F, the compensation would be at the penalty rate.

If the employee fails to qualify, he or she is not entitled to any additional compensation or overtime opportunity for any overtime missed due to the employee being engaged in scheme study.

- E. Grievances which involve interpretation of the new provisions of Article 8 will be held at the step where they presently reside in the grievance procedure. Newly filed grievances will be processed through Step 2 and held there.

Positions agreed to by the parties should be followed in disposing of existing grievances. Those interpretive issues remaining in dispute will be expeditiously placed before an arbitrator. Grievances involving those issues will ultimately be disposed of consistent with the arbitration award.

Sincerely,

  
Thomas J. Fritsch
