Dear Omar,

As a matter of general interest, in order to continue to provide reliable and efficient service and meet the needs of our customers, the Postal Service intends to conduct a Function 4 review at the Pasco, Washington Sorting and Distribution Center (SDC).

The Function 4 review will consist of a desktop review of the unit, followed by an on-site review to evaluate any questionable items identified by the desktop review. The on-site review is scheduled to take place the week of August 26.

Please contact Annalee Monson at (801) 201-0693 if you have any questions concerning this matter.

Sincerely,

For: Jeff Duba
