

PROVO UT COMPARATIVE WORK HOUR REPORT

APRIL 3, 2024

The CBA requires that 45 days after an out of craft or out of installation excessing event the Regional Union will be provided with a Comparative Work Hour Report on the losing craft/installation. The report provides all work hours used on a daily basis for the period of 30 days before and 30 days after the reassignment of employees. If the report does not indicate that business conditions warranted reassignments, the RETREAT RIGHTS of the affected employees are to be activated.
